

Node group management

Add a node group

In the left-hand side menu, click the « **administration** ».

Then « **Groupe de noeuds** » followed by the small button « **Ajouter un groupe de noeuds** » .

The screenshot shows the 'Administration' section of the Node group management interface. On the left, there is a sidebar with various icons. One icon, which looks like a gear with a red '1' over it, is highlighted with a red box and has a red '1' next to it. In the main area, there is a navigation bar with tabs: 'NOEUDS' (highlighted), 'GROUPES DE NOEUDS' (highlighted with a red box and has a red '2' next to it), 'PLUGINS', 'UTILISATEURS', 'GROUPES', 'DROITS', 'CONFIGURATION', and 'LOG'. Below the navigation bar, there is a table titled 'GROUPES DE NOEUDS' with one row visible. The row contains a 'NOM DU NOEUD' field with the value 'groupe', a 'DESCRIPTION' field with the value 'groupe', and a 'ACTION' column with a delete icon. At the top right of the main area, there are two status bars: 'ETAT DES NOEUDS' showing 24 green, 1 yellow, 6 red, and 4 blue nodes; and 'ETAT DES SERVICES' showing 128 green, 1 yellow, 7 red, and 22 blue services. A small button labeled '3' is located in the top right corner of the main content area.

Define a name. You can add a group to a group. The description is optional.

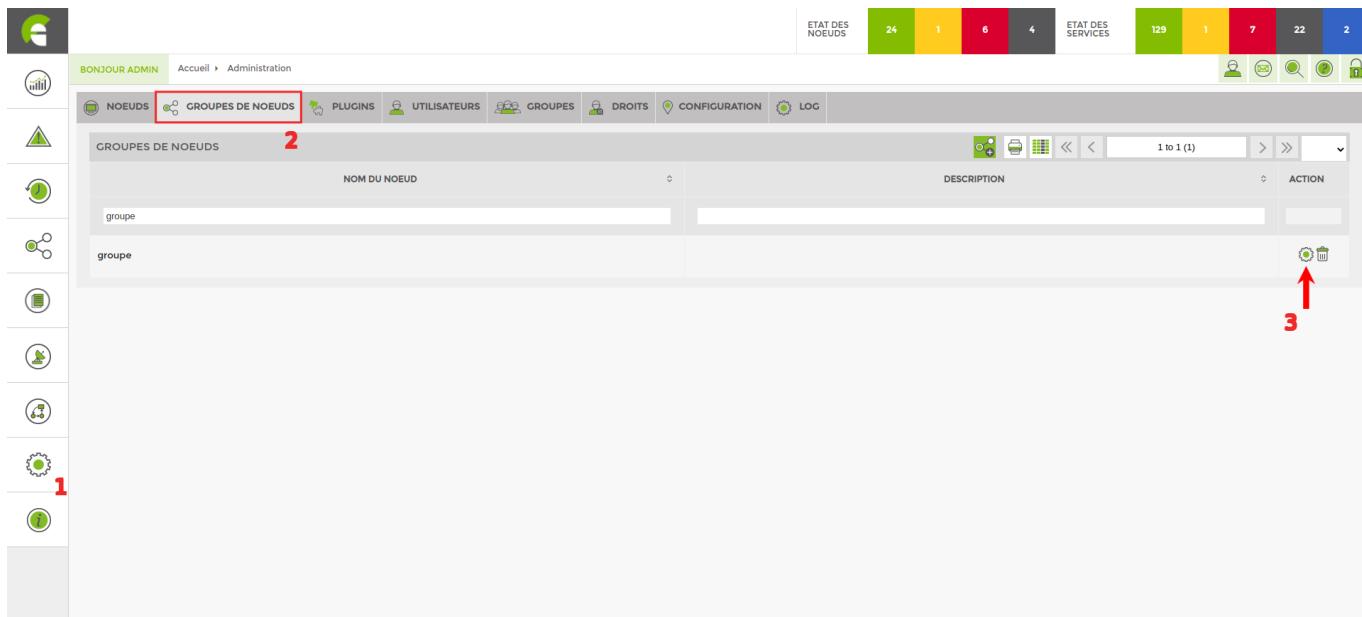

Then « **Ajouter** ».

The screenshot shows a modal dialog titled 'AJOUTER UN GROUPE DE NOEUDS'. It has three input fields: 'Nom' (with value 'groupe'), 'Groupe parent' (with dropdown value 'none'), and 'Description' (empty). At the bottom left is a green 'Ajouter' button.

Modify a node group

In the left-hand side menu, click the « **administration** ».

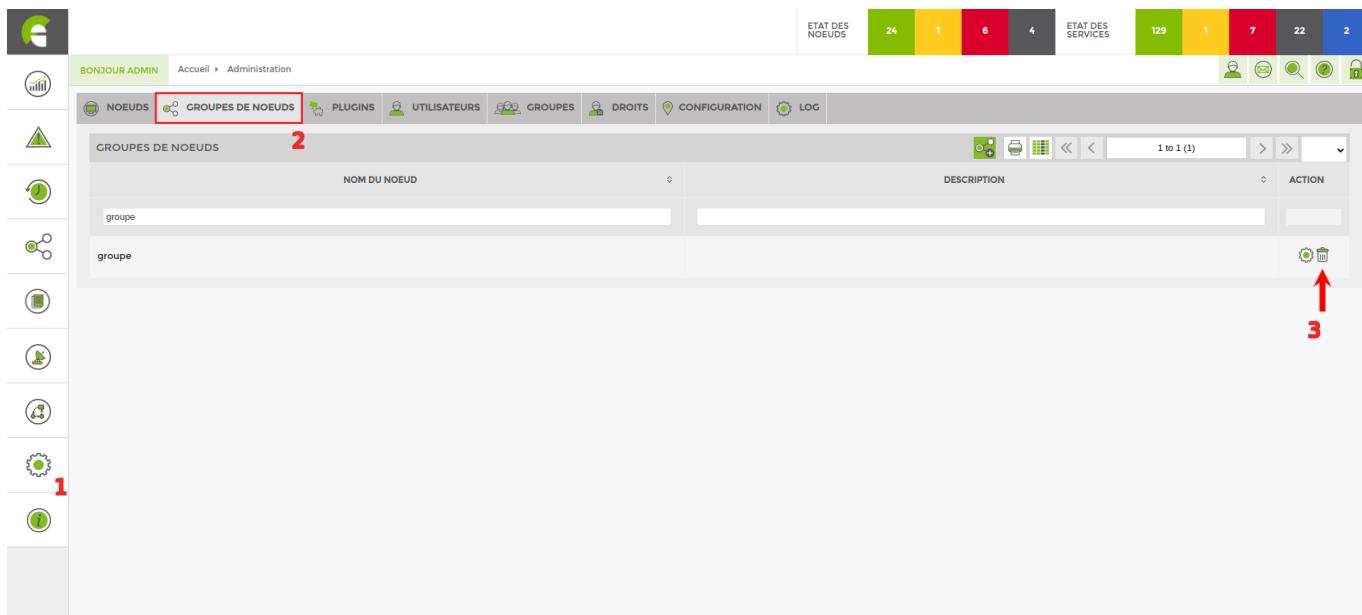

Then « **Groupe de noeuds** » followed by the small button « **Modifier un groupe de noeuds** » .

Delete a node group

In the left-hand side menu, click on the « **administration** ».

Then « **Groupe de noeuds** » followed by the small button « **Supprimer un groupe de noeuds** » .
