

RSS feed management

Access to the RSS feed page

The RSS feed page can be accessed from the home page via the “RSS feed” quick link. Alternatively, it can be accessed from all pages via the quick buttons to the right of the breadcrumb trail.

The screenshot shows the ESIA dashboard interface. At the top, there are status bars for 'ETAT DES NOEUDS' (13 green, 2 yellow, 1 red, 5 grey) and 'ETAT DES SERVICES' (73 green, 2 yellow, 1 red, 15 grey). The main content area is divided into several sections: 'ETAT DES SERVICES' with a pie chart showing 16.5% and 80.2%; 'ETAT DU SERVEUR ESIA' with a large green '7' and four smaller colored squares; 'ETAT DES TÂCHES CRON' with two large circles showing '8' and '1'; 'MESSAGE RSS NON-LU' with a large green '0'; and 'LIENS RAPIDES' with a list of links including 'Administration des noeuds', 'Scanner de réseau', 'Wiki', 'Foire aux questions', 'Esia Voyager', and 'Flux RSS' (highlighted with a red box). Below these are tables for 'ALERTE EN COURS', 'TOP 10 DES NOEUDS EN ERREUR', and 'MESSAGE ESIA'.

The RSS feeds page is divided into 3 sections.

- RSS feeds“, which lists all the feeds to which the user has subscribed. It can also be used to add feeds.
- All feeds” lists the messages on the selected feed and also displays the message header and subject.
- Message details“ displays the content of the message.

DÉTAIL DU MESSAGE
Catégories: news
Ouvverture de notre canal de news
Ecrit par: Nicolas, le 13-10-2023 15:59:13
Bonjour à tous ou Hello world pour les développeurs.
Ce message annonce la sortie imminente de la 3.4.
Pour nos serveurs clouds, elle aura lieu le 24 octobre à partir de 6h du matin.
Bien à vous
L'équipe ESIA

Subscribe to a personalised feed

To register a feed that does not appear in the default list, go to the administration page from the jagged wheel icon in the left-hand side menu.

Once you have done this, go to the RSS Feeds tab, which will list the different feeds, and click on Add a feed.
