

User management

You can create a new user via :

- The “Users” tab in the administration menu. Click on the icon .
- The “Administration” box on the home page ⇒ Add a user.

The following window will appear:

AJOUT	
Nom d'utilisateur:	<input type="text"/>
Groupe par défaut:	<input type="text"/> Pas de groupe par déf... ▾
Mot de passe:	<input type="password"/>
Confirmer le mot de passe:	<input type="password"/>
Adresse e-mail:	<input type="text"/>
Langue par défaut:	fr ▾
Ajouter	

Fill in the following fields:

- User name
- Default group

Adding a user to a user group allows you to define rights (access, view, etc.). You manage these via the [Manage user groups](#).

- Password
- Confirm password
- E-mail address

- Default language

Click on add to finish creating the user.

To change the settings later, simply click on the icon .
