Blocks

First of all, you need to have added a "canvas" to your reports. See How to create a report.

Availability

Node group, node and service availability

All "availability" blocks are configured in the same way.

- Node group availability
- Node availability
- Service availability

<html><h4>1) Type </h4></html>

| ТҮРЕ | | | | | EXEMPLE |
|-----------|-------------|-------|-----------|-------|---------|
| DONUTS | ABREVIATION | JETON | RECTANGLE | JAUCE | 25. 0% |
| GRAPHIQUE | TABLEAU | BARRE | | | |
| | | | | | |

The example on the right is dynamic and will change depending on the block you select to give you a

preview. (You can select them one by one to see a preview).

<html><h4>2) Title and description</h4> </html>

| TITRE | | | DESCRIPTION | | |
|----------------------|--------|---|---------------------|--------|---|
| Nom | | | Description | | |
| Taille de la police | 15 | | Taille de la police | 12 | |
| Aligner | gauche | ~ | Aligner | gauche | ~ |
| Couleur de la police | | * | | | |

Give a title and a description.

<html><h4>3) Linked nodes and configuration</h4> </html>

| NOEUDS LIÉS | | PARAMÉTRAGE | |
|---|---|-------------------|----|
| Groupes de noeuds Sélectionner le(s) groupe(s) de noeuds | | Seuil d'alerte | 80 |
| Représentation en un seul schèma | | Seuil de critique | 70 |
| | - | | |

Select the **node**node **group of nodes** and/or the **service**. Then set the alert and critical only parameters.

ps: the screen only shows node groups because this is the only part of the block that is slightly different.

```
<html><h4>4) Impact</h4> </html>
```

Set the parameters **impact**.

Choose the types of error involved in calculating availability.

Example: A node with 25% OK, 25% Critical, 25% Alert and 25% Unknown. If you tick all 3 boxes, it will have 25% availability. If only Alert and Critical are ticked, it will have 50% availability. ((100% - 25% Alert) - 25% Critical = 50% availability).

ATTENTION If no box is ticked, this block will always return 100% availability.

Incidents

Node group, node, service and hardware incidents

The next 3 blocks are configured in the same way.

- Node Group Node Group Incident
- Node group nodes
- Service **services**

Node group, node and service incidents

<html><h4>1) Title and description </h4></html>

| TITRE | | DESCRIPTION | | | |
|----------------------|--------|-------------|---------------------|--------|---|
| Nom | | | Description | | |
| Taille de la police | 15 | | Taille de la police | 12 | |
| Aligner | gauche | ~ | Aligner | gauche | ~ |
| Couleur de la police | | 19 | | | |

Give a title and a description.

<html><h4>2) Linked nodes and alerts identified </h4></html>

| LERTES RELEVEES |
|---|
| uelle(s) niveau(x) d'alertes voulez-vous afficher ? |
| Alerte |
| Critique |
| Inconnu |
| uel 2 A 2 C |

Select the **node**node **group of nodes** and/or the **service**. Then set the alerts you want to display.

ps: the screen only shows a group of nodes because this is the only part of the block that is slightly different between these blocks.

<html><h4>3) Show columns </h4></html>

| AFFICHER LES COLONNES: | |
|---------------------------|--|
| Groupe de noeuds | |
| Adresse IP | |
| Description | |
| Nom technique du service | |
| Afficher message d'erreur | |
| Fin | |

Display the columns of your choice.

Equipment incidents

<html><h4>1) Title and description </h4></html>

Last update: 2023/11/09 18:23

| TITRE | | | DESCRIPTION | | |
|----------------------|--------|----|---------------------|--------|---|
| Nom | | | Description | | |
| Taille de la police | 15 | | Taille de la police | 12 | |
| Aligner | gauche | ~ | Aligner | gauche | ~ |
| Couleur de la police | | 19 | | | |

Give a title and a description.

<html><h4>2) Linked nodes and alerts identified </h4></html>

| NOEUDS LIÉS | ALERTES RELEVÉES | | |
|--|---|------------------|--|
| Type de liaison : Par groupe de noeuds * | ☐ Inconnu ✓ Alerte | | |
| Eléments sélectionnés : | Critique | | |
| Eléments sélectionnés | Tag des plugins | RAID,HEALTH,DISK | |

Choose the type of link : **group of nodes** or **nodes** and the **selected elements**. Then **set** the alerts you want to display.

<html><h4>3) Display columns </h4></html>

| AFFICHER LES COLONNES: |
|---------------------------|
| Croupe de noeuds |
| Adresse IP |
| Description |
| Nom technique du service |
| Afficher message d'erreur |
| 🗌 Fin |

Display the columns of your choice.

Resources

Using node group and node resources

Use of **node group** and **nodes** are configured in the same way.

<html><h4>1) Title and description </h4></html>

| TITRE | | DESCRIPTION | | | |
|----------------------|--------|-------------|---------------------|--------|---|
| Nom | | | Description | | |
| Taille de la police | 15 | | Taille de la police | 12 | |
| Aligner | gauche | ~ | Aligner | gauche | ~ |
| Couleur de la police | | 19 | | | |

Provide a title and description.

<html><h4>2) Customise the block, parameters and linked nodes </h4></html>

| 2025/05/13 10:44 | | 5/8 | Blocks |
|---|---------------------------|-----|--------|
| PERSONNALISATION DU BLOC | PARAMÈTRES | | |
| Quelles colonnes supplémentaires souhaitez-vous afficher ? | Seuil d'alerte CPU | 70 | |
| Croupes de noeuds | Seuil de critique CPU | 80 | |
| Adresse IP | Seuil d'alerte RAM | 70 | |
| Description CPU | Seuil de critique RAM | 80 | |
| Z RAM | Seuil d'alerte STORAGE | 70 | |
| ✓ Stockage | Seuil de critique STORAGE | 80 | |
| Espace libre | | | |
| NOEUDS LIÉS | | | |
| Croupes de noeuds Sélectionner le(s) groupe(s) de noeuds | | | |
| Retour Sauver | | | |

Display the columns you want to appear, set the only alerts and critics and link the block to the **node** group or **nodes**.

ps: the screen only shows node groups because this is the only part of the block that is slightly different between these blocks.

Values

Service value (of plugins per node/node group and service per node/node group)

All blocks are configured in the same way.

<html><h4>1) Title and description </h4></html>

| TITRE | | DESCRIPTION | | | |
|----------------------|--------|-------------|---------------------|--------|---|
| Nom | | | Description | | |
| Taille de la police | 15 | | Taille de la police | 12 | |
| Aligner | gauche | ~ | Aligner | gauche | ~ |
| Couleur de la police | | 19 | | | |

Give a title and a description

<html><h4>2) Linked nodes and block customisation </h4></html>

| PERSONNALISATION DU BLOC |
|--|
| Quelles colonnes supplémentaires souhaitez-vous afficher ? |
| _ |
| Messages |
| Groupe de noeuds |
| Type de noeud |
| 🗌 Afficher la Valeur minimun,maximun et le delta |
| |
| |
| |

The "*linked nodes* is slightly different depending on the block. Choose the **node group** or **node** and the service if necessary, then add the columns you wish to display.

Other

Service graph

<html><h4>1) Title and description </h4></html>

| TITRE | | | DESCRIPTION | | |
|----------------------|--------|----|---------------------|--------|---|
| Nom | | | Description | | |
| Taille de la police | 15 | | Taille de la police | 12 | |
| Aligner | gauche | ~ | Aligner | gauche | ~ |
| Couleur de la police | | 19 | | | |

Give a title and a description.

<html><h4>2) Nodes and links and customising the block </h4></html>

| NOEUDS LIÉS | PERSONNALISATION DU BLOC |
|-----------------------------|--|
| Sélectionner le(s) noeud(s) | Quelles informations supplémentaires souhaitez-vous afficher ? |
| Services | New technique du comice |
| Sélectionner le service | Nom technique du service |
| | |

Choose the **knot(s)** and the **service(s)** and indicate whether you want to display the **technical name of the service**.

RGPD register

| TITRE | | | DESCRIPTION | | |
